

MARTIN AVERSENG

20 rue de l'Armorique, 75015 Paris
(+33)622854025 ◊ martin.averseng@gmail.com

EDUCATION

CMAP, Ecole Polytechnique, Palaiseau

Sept. 2016 - Dec. 2019

PhD thesis in applied mathematics:

Efficient methods in acoustic scattering in 2D and 3D

Preconditioning on singular domains and fast convolution.

Direction: Pr. François Alouges.

Thesis defended and obtained on october 14th 2019.

Université Pierre et Marie Curie, Paris

Sept. 2015 - July 2016

Master's degree, Numerical analysis of partial differential equations.

IRCAM, Paris

Sept. 2014 - July 2015

Master's degree, Acoustics, signal processing, computer science applied to music.

Ecole Polytechnique, Palaiseau

Sept. 2011 - July 2014

Major in applied mathematics.

Minors in quantum and statistical physics, continuum mechanics

WORK EXPERIENCE

Laboratoire Jacques-Louis Lions, Inria Alpines team, Paris

Jan. 2020 - Present

Post-doc, supervised by Xavier Claeys. Working on combinations of additive Schwarz and Calderón preconditioners.

Laboratoire des systèmes perceptifs, ENS, Paris

January 2015 - July 2015

Research internship in behavioral neurosciences.

ESI-Group, San Diego

March - July 2013

Research internship.

Modeling of the variance in a transient model of the Statistical Energy Analysis.

PSA Peugeot Citroën, Vélizy-Villacoublay

July - Sept. 2013

Ergonomy of Human Machine interfaces

Armée française, 8ème RPIMA, Castres

Sept. 2011 - April 2012

8 month experience in French army, including 4 month at the 8ème RPIMA.

LANGUAGE AND COMPUTER SKILLS

Programming: Matlab and Python.

Languages: Fluent in english and italian, intermediate level in spanish. French native speaker
